

PRODUCT SAFETY RECALL:

Watercolours, 12 pcs.

Søstre Grene is hereby recalling: **watercolours, 12 pcs.**

The recall applies to a single batch of the product, which has been sold from 29 May 2024 to 13 February 2025. An elevated amount of lead has been found in the white colour, exceeding the established limit values, which poses a health risk upon skin contact or ingestion.

Therefore, Søstre Grene is recalling the product from this specific batch. The batch number can be found alongside the price on the packaging (230866).

Anyone who has bought the watercolours can therefore have the full price refunded or exchange it for an item of the same value by returning the product to a Søstre Grene store before **1 May 2025**. There is no need to bring a receipt. This also applies even if the product packaging has been removed and the batch number therefore is no longer visible.

Søstre Grene is extremely sorry for the inconvenience and works actively in every possible way to ensure that you can have confidence in Søstre Grene's products.

If you have any questions regarding this recall, please contact: contact.uk@sostrengrene.com
